Abstract: The authority for collecting this information is contained in the Higher Education Act of 1965, as amended § 496 (HEA), and implementing regulations at 34 CFR 602. The data is required in order for recognized accrediting agencies to demonstrate compliance with 34 CFR 602. The Secretary will use these criteria in determining whether an accrediting agency is a reliable authority as to the quality of education or training provided by institutions of higher education they accredit. The data is required for State Agencies for the approval of Vocational Education to demonstrate

compliance with 34 CFR 603. The Secretary will use these criteria to determine whether a State Agency for the Approval of Vocational Education is a reliable authority as to the quality of education or training provided by the vocational institutions of higher education they accredit. The data is also required in order for State approval Agencies for Nurse Education to demonstrate compliance with the criteria and procedures for recognition of State Agencies for Approval of Nurse Education published in the January 16, 1969 Federal Register. The Secretary will use these criteria in determining whether a state agency is a reliable authority as to the quality of training offered by schools of nursing.

In addition, and in accordance with 34 CFR 600.55, the Secretary is also required to collect information, review, and determine whether the accreditation standards used by foreign countries to accredit medical education programs are comparable to the standards used to accredit medical education programs in the U.S.

Dated: January 19, 2023.
